Greetings from the Chair

HOLIDAY GREETINGS TO YOU ALL!

First, I would like to thank each of you and your company for your participation and support of PACE this year. I hope you have received your holiday card in the mail as a token of appreciation of your membership. Your continued involvement is critical to the growth of our credit interchange. I would like to remind you to forward prospective member names to ABC-Amega as you encounter new vendors that may be a good fit in the PACE group. New members are always welcome.

This year, ABC-Amega has continued to offer creative and useful webinars to the membership that were excellent and well received. I hope you were able to participate in a few of these worthwhile webinars. The Educational Conference held in Las Vegas was also a big hit and a chance for PACE to become re-acquainted with GAIN and better acquainted with PICE.

In 2015, the same Executive Committee looks forward to more resourceful webinars, better use of the updated website; and I look forward to being with the PACE members at the upcoming Educational Conference being held in New Orleans in April of 2015. We hope for a great turnout at the conference and hope you, too, plan to attend and get together with your PACE "Buddy" and all other PACE members. In this Newsletter, you will read of the upcoming events and the improved GoAmega and ABC-Amega websites.

Merry Christmas and Happy New Year to you all and use PACE as often as you can to help in your credit decision process.

Happy Holidays,
Linda Porterfield
PACE, Chair
