ABC-Amega Named One of Business First's Best Places to Work

Buffalo, NY – ABC-Amega, a global commercial receivables management firm headquartered in Buffalo, NY, has been selected as a finalist for Business First of Buffalo's annual Best Places to Work recognition program. ABC-Amega is one of 12 companies that placed as a finalist in the Large company category.

To become eligible for the Best Places to Work recognition, employees complete an online engagement survey. The survey measures six key engagement categories focusing on communication, employee needs, manager effectiveness, personal engagement, team dynamic and trust in leadership. To gather statistically sound results, companies must reach a minimum level of employee participation, based on total number of employees, to be eligible to be a finalist.

"We are honored to have received this recognition for the third consecutive year," said David Herer, CEO of ABC-Amega. "Our employees are essential to our clients' success, and we take great pride in maintaining a culture where our employees can thrive," added Herer.
